The Wise Men

O bright star of the night
We follow your guiding light
To a stable on a hill,
To where Jesus lay so still.
The Wise Men came from afar,
They had no train nor a car.
They travelled by the dark of night
To guard Jesus from a king's fright.
They came to a town called Bethlehem,
And looked in every house and inn.
But not a trace of Him to find
So to the stable for their camels to dine.

It was here they found their King,
And gave him many precious things.
And every year on that same date
Jesus' birthday we celebrate.

River Valley Christmas Concert

On Wednesday evening River Valley School House, S.S. No. 19, Sidney Township, was filled to capacity for the annual Christmas concert. The school room was decorated with evergreens, wreaths, a lighted tree and handmade chain decorations used in days long ago.

The teacher, Glenn Bennett, was chairman and welcomed the group. The music teacher, Mrs. Douglas Fairies was the piano accompanist for the various numbers. The opening number was a Christmas pageant which gave the Nativity story. The opening and closing recitations were given by Randy Stewart and Grant Carr. A humorous day entitled "Concert Rehearsal" was followed by a group of boys in a barber-shop scene. Stanley Morrow and Kenny Bryer provided jokes and the latter gave a monologue. Kelly Dobson was heard in a recitation followed by an exercise "The Twelve Days of Christmas."

The pupils staged a drill in backward style and the younger grades gave an exercise. Christmas pantomimes of two favourite carols was followed by a modern square dance to a record, and a two-act play with monologue by Bruce Beswick and Duane Pyear. The girls dressed in blue and white costumes depicted a drill "Alice Blue Gown."

Robert Milligan in costume sang with guitar accompaniment. The Grade 4 children contributed a peanut drill and the students depicted a humorous mock wedding in the new mod style.

Presentations
Mr. Bennett presented Nellie Bartels, who attained a mark of 97 and David Keating, whose mark was 84 with gifts as they had the highest percentages in the school. Four grades are taught at River Valley from 4 to 8 and there are 31 students in attendance. The other grades are taught at the Glen Ross school.

Special Introduction
The five students in Grade VIII were introduced as follows: Joyce Carr, Ann De Warwick, Duane Pyear, Stanley Morrow and Linda Wood.

Santa Claus arrived and distributed candy and gifts.

Nothing For Christmas

When I got up on Christmas morn,
Down underneath the Christmas tree
I looked and looked and looked and
looked.

But ne'er a present I did see!
What's this? I said. Oh, dearie me!
Has Santa Claus forgotten thee?
This sure is strange, what will I do?
There are no toys for me or you!

I wrote a note the night before,
And I had tacked it to the door,
How'er Saint Nick and his reindeer
To our house had not been near!

So from that day I don't believe
That Santa comes on Christmas Eve,
And here's a motto for our home,
If you want presents, buy your own!

In Memoriam

ANDREWS — In cherished memory
of my dearly loved husband, Russell, who was called "Home" very suddenly January 1st, 1965. The golden gates stood open Two years ago to-day With farewells left unspoken You quickly slipped away. Within my heart I'll always keep A special place for you, And try to do my best to live As you would want me to. Sometimes it's hard to understand Why some things have to be, But in his wisdom God has planned Beyond our powers to see. —Ever lovingly remembered and sadly missed by his wife, Luella.

ANDREWS — In loving memory of a
dear father and grandfather, Russell Andrews, who passed away January 1st, 1966. We miss your voice your cheery smile And pray God to let you know That we down here do not forget. We love and miss you so. The golden gates stood open, To them you travelled far. Then entered God's eternal home And the gates are left ajar. —Lovingly remembered by Shirley, Ray, Cheryl and Billy.

ANDREWS — In loving memory of a
dear father and grandfather, Russell Andrews, who passed away on January 1st, 1965. God took him home, it was His will But in our hearts we love him still. His memory is as dear today As in the hour he passed away. We often sit and think of him When we are all alone For memory is the only friend That grief can call its own. —Sadly missed but not forgotten by son Doug, daughter-in-law Mae and grandchildren Ronnie and Wayne.

HARRINGTON — In loving memory
of a dear husband and father, Arthur Harrington, who passed away January 1st, 1965. He had a smile, a pleasant way, A helping hand to all he knew. He was so kind, so generous and true On earth he nobly did his best. Grant him, Jesus, heavenly rest. —Always remembered by his wife Lillian, Ellen, Bill and family.

MONTGOMERY — In loving memory
of a dear husband, father and grandfather, Cameron Montgomery, who passed away January 2nd, 1966. The rolling stream of life rolls on, But still the vacant chair Reminds the love, the voice, the smile Of the one who once sat there. —Ever remembered by wife Leone, son Grant and family.

PLATFORD — In loving memory of a
dear daughter, Beverly, who passed away suddenly December 28th, 1964, and dear niece, Diane Loshaw January 28th, 1965. They have gone across the river To the shores of evergreen How we long to see their faces But the river flows between. Some day, some time our eyes shall see The dear ones we love so well. Some day we'll clasp their loving hands And never say "farewell." —Lovingly remembered by the families.

Mrs. R. Bush, head of Nominating Committee for General UCW, spoke concerning the matter of a leader for Unit Four. Mrs. E. Warren consented to chair the January meeting and Mrs. H. Donnan offered to take charge of devotionals.

The Presbyterial meeting is January 10th in Belleville.

Worship Service

Devotionals were conducted by Mrs. R. Rose, the theme being, "The Ever Present God." Assisting were Mrs. W. Harlow, who read the lesson from Psalm 139, and Mrs. H. Donnan

who gave the commentary. The offering was gathered by Mrs. H. Eggleton and Mrs. W. de Jong.

Programme

Mrs. G. Carlisle read a poem on Christmas. A time of dreaming dreams, listening to lovely music, loving and praying. Mrs. H. Donnan gave a lovely article on Christmas, the season of good cheer, good will and peace, a time of prayer and inspiration and hope. Mrs. de Jong favoured with a solo, "Silent Night, Holy Night," sung in her native language, in which it seemed even more beautiful than in ours.

The Rev. Bruce Small was the special guest speaker. He read the story of Christ's birth and spoke of how his coming was received by three special groups — the Inn Keeper, the Wisemen and the Shepherds. "No room," said the keeper of the inn. Would perhaps he have made room for Mary and Joseph, had they appeared affluent and well dressed? Did he hastily judge by appearances even as we do, oft times in this day and age?

The Wisemen brought their gifts of gold and frankincense and myrrh but the shepherds, of more humble birth were joyous at the news of the birth of Christ. To many people today the joy has gone from Christmas but though Christmas seasons come and go Christ remains ever the same. With prayer, Mr. Small closed his address.

A duet by Mrs. H. Waite and Mrs. H. Philip, "Hark the Herald Angels Sing," was much enjoyed.

A lovely story, "The Legend of the Christmas Tree," was read by Mrs. E. Eggleton. Mrs. Carlisle closed the programme with a few thoughts of the Rev. Norman Vincent Peal.

Mrs. Ayrbart graciously thanked all those on the December committee for their efforts in making this closing meeting of the year so very worthwhile.

What does Centennial mean to you?

What are you planning for Centennial?

1967. This is the year for Canadians everywhere to stop and think about Canada. To look back on how far this nation has come since its rough and rugged beginnings. To think about Canada as it is now: free, prosperous, and with an unlimited future for growth.

To celebrate, magnificent projects are in the works. The Confederation Caravans will bring Canada to millions in rural and tiny out-of-the-way places. The Caravans unfold an exciting colourful story of Canada: from early beginnings right up to the present. Festival Canada brings Canadians the largest entertainment package ever: from western music to

opera, musical comedy to drama. Two companies of 300 servicemen each will travel Canada to put on a magnificent stirring Military Tattoo, portraying Canada's past 300 years of military history!

These are just three of hundreds of Centennial events planned for you in the coming year. But what are you doing for Centennial? What is your own personal project? Other Canadians are painting their homes, flying the Canadian flag, planting Maple trees, hooking Centennial rugs, reading up on their Canadian history. What will you do? It's not important how large or how small your project

may be. What is important is that you have stopped and thought enough of your country and what it means to you to take up a Centennial project of your own.

The Federal/Provincial events planned will be magnificent and thrilling. But to each of us, the truly exciting and most meaningful projects will be the ones we create ourselves.

What does Centennial mean to you? And what are you planning for Centennial?

MISS EMILY PARKER DIES IN HOSPITAL

A resident of this Village for practically her entire life, Miss Emily Parker died on Saturday, January 7th, 1967, at St. Mary's of the Lake Hospital, Kingston. She had been a patient there since her accident in February, 1965, and until recently was alert and well. She would have been 100 years of age on January 28th of this year. Miss Parker was the last of many generations of Parkers who lived in Stirling.

Born in Stirling, she was a daughter of the late Francis Borland Parker, who died in 1902 and Sarah Hay Fidler, who died in 1933. She was predeceased by a sister, Elizabeth.

Miss Parker was a member of St. Andrew's Presbyterian Church, in Stirling.

Surviving relatives in Ontario are Mr. Robert Parker, of Acton; Dr. Edward Fidler, Toronto; Miss Helen Fraleck, Belleville; Mrs. J. H. C. Prout, Colborne and Mr. Donald Ross, Kingston.

The remains will be cremated and the ashes will be buried in Stirling Cemetery and a service held at a later date when relatives in the West may be able to attend.

Local Residents In Hospital

Mrs. Thos. McCaughen is a patient in Trenton Memorial Hospital with a fractured spine. She was admitted on Thursday of last week, following a fall at her home here.

Mrs. Aletha Douglas, Front St., W., is a patient in Belleville General Hospital.

Mr. Arthur Hulín Observes His 86th Anniversary

Congratulations are extended to Mr. Arthur Hulín, Church Street, who observed his 86th birthday anniversary on Sunday, January 8th. Mr. Hulín was born in Tweed and has lived in Stirling for the past sixty-six years. He is a painter by trade, but has lived in retirement for the past fourteen years.

Firth Bateman Attends Older Boys' Parliament

During the week of December 26th to 31st, Firth Bateman, son of Mr. and Mrs. Elwood Bateman, of town, attended Ontario Older Boys' Parliament at McMaster University, Hamilton. This Parliament is sponsored by the Ontario Older Boys' Work Committee, which in turn is sponsored by the Baptist, Disciples, Evangelical, United Brethren, Presbyterian and United Churches and the Salvation Army. The Anglican Church is to some degree involved also.

By virtue of his attendance, Firth is the "M.P." for Hastings North for 1967.

While there, Firth was elected President of Mideastern Zone CYCC, which encompasses fourteen counties. Thus he has become directly involved in boys' work with boys aged 16 to 21 and is responsible for setting up a conference next fall which includes boys from this zone.

Such topics as the importance of examinations in schools were discussed and legislation dealing with them was passed. The legislation concerning the above topic has since been presented to Ont. Education Minister Davis and will likely be brought before the House in Toronto.

To Speak At St. Paul's

Since Firth was a nominee of St. Paul's United Church, Stirling, he will be in charge of the regular services on Sunday, February 5th.

Bonnie Bateman, Christine Preston Address St. Paul's AOTS Men's Club

Gave Outstanding Reports On Toc Alpha Conference Held at Niagara Falls, Ont.

Members of St. Paul's H-C Club were guests at the monthly dinner meeting of the AOTS Men's Club on Wednesday evening of last week. President Elwood Bateman chaired the meeting. Art Loucks acted as sgt.-at-arms.

Two local girls, Christine Preston and Bonnie Bateman attended the 10th Annual Toc Alpha Conference on Alcoholic Problems in Niagara Falls, Ont., during the Christmas vacation. These girls gave outstanding reports on the Conference.

Christine Preston told how she enjoyed the addresses by Dr. Marvin A. Block, a prominent American. He divided his talk into three sections: (1) "Drinking and Marriage", illustrated by a film in which the problems of alcoholism in a marriage were illustrated; (2) "Drinking and Business", the use of alcohol to win customers is very popular; (3) "Alcohol and Women"; there are as many women alcoholics as men in America, but many are hidden.

Dr. Block finished his address with some advice — "If you can't have fun without drinking, don't drink to have fun."

Bonnie Bateman told how Toc Alpha came into being as youth found a need for an organization in which problems could be discussed. The theme of the Conference was "Alcohol and Youth". The basic topic was "Why Do Teenagers Drink?"

It was pointed out that many teenagers turn to alcohol as they often feel their problems have no solutions, but they do not realize that drinking alcohol only postpones problems. Teenagers with confidence do not fall as victims.

Miss Bateman remarked that the social functions at Toc Alpha showed how much fun one can have without alcohol.

It was pointed out that one out of every 15 teenagers develops into an alcoholic, and 50 per cent of teenagers who have become alcoholic have one parent who is an alcoholic. Much propaganda is spread today to support the desirability of drinking.

In closing Bonnie said that adults must recognize the problems; make an attempt to understand teenagers and provide young people with wholesome recreational facilities so that they can have good times independent of alcohol.

The two girls answered questions about such topics as the relation between illness and drinking alcohol; the lack of cures for alcoholism; the case for moderation or complete abstinence.

The speakers were introduced by Claire West. Don Williams extended thanks and paid tribute to them and to the other young people in attendance at the meeting.

The worship service period was conducted by Hugh Lyons.

Senior Citizens Enjoy Films At Weekly Meeting

Thursday, January 5th, 2 p.m., at the Masonic Hall, was the first 1967 meeting of the Senior Citizens Club of Stirling and District.

A good attendance was on hand for the first weekly gathering to enjoy a game of cards, a friendly visit and the always welcome refreshments, served by the ladies of the Club.

Mr. Don Maddocks made a brief call and left 43 song books, resulting in a cheerful sing song with Mrs. Nora Stapley at the piano.

The meeting was featured by two films, Stirling Centenary, 1958, and the street celebrations of last September, shown by Mr. Guy Bradshaw. The Club extends its thanks to Mr. Bradshaw for the interesting show and to Mr. R. Hulín for the second film, loaned to him by a friend from the U.S.A.

Next Thursday, cards, movies and refreshments. All Senior Citizens will be welcome.

Stirling Bantam Hockey Games

On Saturday, January 7th, the Stirling Bantam team travelled to Marmora and played a very good game of hockey which brought the team its first win. The final score was 6 to 1 for Stirling. Gord Spencer and Jack DeBruyn each scored twice, while Stan Morrow and Nick Hudson each got singles.

On Monday, January 9th, the Bantams played Bancroft. This game was not played with the same eagerness as the previous game and consequently they were defeated, 9 to 2. Goals were scored for Stirling by Jack Sills and Jack DeBruyn.

River Valley W.I.

(By Mrs. Percy MacMullen)

On Thursday, January 5th, Mrs. Ernest Carr was hostess for the first meeting of River Valley Women's Institute in Centennial Year 1967. Eighteen members, one visitor and two pre-school children were in attendance.

Mrs. Glenn Bush, president, opened the meeting with a thought on Centennial and later she read an item published by the Ontario Department of Tourism and Information. This contained the following recipe for 1967: Ingredients, a dash of interest, a pinch of imagination, a measure of enthusiasm; Method: Mix all ingredients together with a generous por-

tion of Canadiana and spice with fun. Stir constantly and proudly present Canada's Birthday Cake, with the Women's Touch.

The group sang "O Canada". A cushion, made by Jane Bush, was displayed, well-laden with Centennial pins. The roll call centred around "Commemorating the Centennial" and each one received her Centennial pin. Many special ideas were expressed and one suggestion was to display a dish or picture in your home, which is one hundred years of age.

The secretary, Mrs. Carr, gave her report and read a list of sympathy and get well cards, which had been sent.

Programme
Mrs. Ross Bush presided over the programme and opened with a poem entitled "Golden Friendship". At this point, the group sang "The Maple Leaf Forever" and "The Queen".

The motto, "Citizenship, like Charity, begin at home", stressed the value of good health habits, everyone courteous and polite in words and manner; co-operation and a readiness to help others, and all this, which is practised by the parents, helps to develop the child.

The president introduced the guest speaker, Mrs. J. L. Good, a retired school teacher. She chose as her subject, "The Progress of Education". She traced the history, geography and education in Canada from the days of Champlain, when small settlements established schools for the favoured few who could afford such a luxury.

Early in 1800, the first government grants were given in Upper Canada and in 1842, it was authorized that a portion of Scripture be read every day in the school room.

Mrs. Good read some very interesting articles re the schools around Adolphustown and in the Niagara District. By 1812, many parents were willing to sacrifice in order to send their children to grammar schools and soon after the common log school houses were situated all over the province. By 1871, the first school inspectors were sent out and soon after examinations for High School entrance were established. Early in 1900, there were more classrooms needed and the speaker gave a synopsis of all the new improvements that have taken place in the past sixty years along the line of education.

The co-convenor, Mrs. Percy Craighead, voiced thanks for the informative message and made the presentation of a gift of a Centennial pin.

In Memory
Preceding the business, a period of silence was observed in memory of Mrs. Wm. Ashby, who had been a valued member when health permitted.

On Saturday, the River Valley 4-H Club girls will present their exhibit, "How to Select Meat" at the Achievement Day in Belleville.

The Centennial spoons were displayed and Mrs. J. R. Donohoe will distribute them to the members at one dollar each.

Mrs. Gerald Brooks and Mrs. Roy Irvin will be in charge of the new 4-H Project, "Cottons May Be Smart".

Several letters of thanks were read for gifts received at Christmas; also a letter from the Belleville Quintabelle Chorus.

A committee will make plans for the barn sale on February 6th, at Hoard's Livestock Sales.

A special announcement was made re the January meeting of Hastings Historical Society, which will be held on January 9th in Belleville.

Mrs. Norman Rosebush will be hostess for the February meeting which will center around a Centennial Exhibit for the Tweedsmuir History.

Mrs. Percy MacMullen stated that the Christmas parcel from Abbot's Leigh, England, arrived on December 3rd and had been distributed to the members. The note paper shows a picture of Wilton Lodge, at Taunton, the new home of the Somerset Federation. She displayed several greeting cards received from England and their W.I. Diary. She also read part of an airmail letter of thanks for the gift from Canada of embroidered Centennial handkerchiefs and also items of interest about Abbot's Leigh W.I. as published in their "Church of the Holy Trinity Anglican Church Bulletin". One of these described Norman Coombs and six other young men, all bell-ringers. One of the cards contained a Christmas poem which was published in the Argus on January 4th.

For Public Relations, Mrs. MacMullen displayed pictures of the First Northern Canada W.I. Convention at Inuvik, last August.

Mrs. Jack Bush read an interesting article re fabrics and new uses of paper.

Mrs. Norman Rosebush displayed a special coin minted in 1966, depicting the Union of the Colonies in Vancouver Island by the Coin Confederation of B.C.

Mrs. Roy Tucker read an article re the new training program for men with nine subjects at Moira Secondary School, Belleville.

For A.C.W.W., she read an interesting article from "The Countrywoman" written by the Deputy President, Mrs. Haven Smith, which told of her trip to Alaska. The University of Alaska has held summer courses for home makers for seventeen years and Mrs. Smith was invited on a speaking tour to Alaska and while there she visited several Eskimo villages. The story gives a full description of all the varied gifts she received while there. The Pennies for Friendship were collected at this time. The December pennies amounted to \$2.40.

Mrs. Roy Bush spoke briefly re the four different schools in the River Valley area during past years.

The meeting closed with "The Mary Stewart Collect". The hostess and committee served a delicious lunch after which Mrs. Malcolm McMullen voiced thanks to all who had contributed to the success of the afternoon.

Wellman's UCW

The January meeting of Wellman's United Church Women was held at the home of Mrs. John Carlisle with fourteen adults and three children in attendance.

The President, Mrs. Fred Beckett, used as her call to worship, Paul's words in Philippians 3: 13, 14; followed by prayer, which concluded with all repeating the Lord's Prayer. She called on Mrs. Douglas Clancy to lead the worship service. Mrs. Clancy had chosen for her topic, "Looking Forward" and opened with the hymn, "Standing at the Portal". Mrs. Byron Seeley read the Scripture, Philippians 3. In her meditation, Mrs. Clancy compared the Christian life to a race where the runner strives continually to go forward. While he may learn from past mistakes, he does not allow these to hinder him. So the Christian presses onward not looking back but advancing toward the prize, which is life with Christ.

Psalm selection 736 was read in unison, as a prayer, and the worship service closed with the reading of a poem, "New Every Morning".

Mrs. Beckett extended a welcome to all present, especially the visitors. The roll call was answered by a New Year's resolution for U.C.W. members.

During the business period, a report of the proceeds from the sale at Hoard's Sale Barn was given and Mrs. Ron Hadley read the financial report for 1966.

It was moved by Mrs. John Carlisle and seconded by Mrs. Douglas Clancy that Mrs. Byron Seeley be leader of the Messengers for 1967.

The annual meeting of Belleville Presbyterial United Church Women was announced for the evening of January 31st and February 1st, at Holloway Street United Church, Belleville. Ten members paid their fees and Master Darrell Rossett gathered the offering, which was dedicated by the President.

Readings were given by Mrs. Omar Dracup, "Recipe for a Happy New Year", and Mrs. Ron Hadley, "Resolution for the New Year".

Mrs. Beckett introduced the guest speaker, Mrs. Kenneth Weaver, President of Belleville Presbyterial United Church Women.

Mrs. Weaver gave a very interesting and stimulating address on "Time". The term "time" has a great variety of meanings and there are many kinds of time. To illustrate, she read Ecclesiastes 3: 1-8. Man has no control over the time of his birth but he determines the use he will make of the days allotted to him. Among the causes of wasted time are procrastination, indolence, indifference, lack of vision, regrets for the past, low standards and a failure to pay our own way and use the time and talents we have. The present is ours and we have many opportunities.

Mrs. Carlisle thanked Mrs. Weaver and presented her with a gift on behalf of Wellman's U.C.W.

Mrs. Beckett thanked all who had helped with the meeting and Mrs. Carlisle for opening her home.

The meeting closed with prayer by Mrs. W. Cox. The hostess and her assistants served lunch and a social time was enjoyed by all.

Letter To The Editor

Dear Sir:

I just recently read an article in
the paper where too many Minor
League hockey coaches play for
themselves and not for the boys.

This, I suppose, holds true across
Ontario. It certainly seems to be
true here in Stirling. A coach should
know that he is coaching little boys
to play hockey and not men. The
idea of Minor hockey is to teach boys
to play hockey and be good sports
not to win all the games.

I just recently watched a Minor
League game in the Stirling and Dis-
trict Arena, played between two Min-
or League teams. When the Stirling
coach had fifteen boys dressed to
play hockey, but only eight or ten
boys played. Of these, one boy
played sixty minutes of hockey. Any-
one knows that a hockey player can-
not play this kind of hockey. This
is not good for a boy's health at the
age of thirteen or fourteen and sure
not good for Minor hockey.

I am sure that a boy well-rested,
even if he is only half as good a
hockey player can play better than a
boy who is tired out. If a coach is
only going to play eight or ten boys
then he should only dress this num-
ber.

I have seen a few O.M.H.A. cham-
pion teams play hockey. These teams
did not win Ontario Champions play-
ing eight or ten players. Stirling, in
the past, has played some of these
teams and it always seems we just
did not have enough players. We all
know that a little boy, whether play-
ing Novice, Pee Wee or Bantam, will
never get any better sitting on the
bench.

Small boys are always quite thrilled
when they take part in a game. They
all, I am sure, play the best they can,
whether they win or lose, and are
quite happy. Generally the one who
is disappointed is the coach.

Boys who do not play this year just
don't come back next year to play.
This is the reason sometimes when
they get to be juvenile age, some vil-
lages don't have enough left to even
have a team.

Also merchants and business men
are quite often asked to buy sweaters
for these teams. They are told they
need to buy fifteen sweaters for a
team. I am quite sure that if these
fellows knew there were only going
to be eight or ten boys play on that
particular team, that is all the sweat-
ers they would purchase.

I am not saying that all boys should
have equal ice time. But if you have
these boys dressed, they should be
played some. Most boys are happy
if they get some ice time each game.

They also know that there are bet-
ter players on the team than they
probably are. For the coach that
states: "If you don't like what I am
doing, come and do it yourself"

He is only admitting his guilt of these
things. This is not the answer. Just
coach these Minor League teams like
boys not men. Coach them to be
good sports, whether they win or
lose. All fourteen or fifteen of them
will be happy and you, as a coach,
will be justified.

Incidentally, Stirling lost this par-
ticular game, 4 to 2, so all this par-
ticular coach accomplished was to
tire out eight or ten boys and keep
six from not playing.

An Interested Fan.

1967 Centennial Wishes

I wish the New Year coming in
Brings peace and joy in every heart.
That wars may cease
And love and joy our lives impart.

I wish for a true fellowship
To all the whole year through,
And each one love his fellow man
As God would have him do.

I wish that all who live each day
Would just bow down to God and say
Give us the love that Thou can give
To those with whom we have to live.

I wish that every heart could know
The love of God so freely given,
That in our lives that we may show
The only way from earth to Heaven.

I wish our hearts be free from sorrow
And all our friends, so kind and true,
Make all our blessings of tomorrow
Remain the whole year through.

I wish these blessings to renew
To all our friends so kind and true
And when the evening shadows fall,
We thank Thee, Lord, for blessings
all.

Hibernation and Heart Diseases

The mechanism of hibernation has
been adapted as one of the techni-
ques used in the treatment of heart-
circulatory diseases.

The patient is bathed in ice water
to lower body temperature as much
as 20 degrees. The lowered body
temperature eliminates the need for
blood and oxygen. With the body hi-
bernating the aorta can be closed long
enough to permit a surgeon to re-
place the diseased section of the
heart without damaging vital nerve
cells.

The use of radioactivity and elec-
tronics in diagnosis and the replacing
of diseased arteries with nylon arter-
ies are some other methods used in
treatment of cardio-vascular diseases.

Some Practical Definitions

In today's family life, many ordi-
nary words and phrases seem to have
taken on an entirely new meaning.
Even Webster of dictionary fame, we
are sure, would today agree that any
similarity between the meaning of
some words he listed many years ago
and today's meaning would be purely
coincidental. Here is a compilation

Carbon Monoxide Poisoning

When Winter closes in and the
heat is turned on, be alert to the dan-
ger of carbon monoxide poisoning.

Carbon monoxide or CO sickens
and kills because it cuts off the oxy-
gen supply from the tissues of the
body.

Ordinarily oxygen is carried to and
from the lungs to all parts of the
body by the red blood cells. When
oxygen and carbon monoxide are
breathed in together, the carbon mon-
oxide displaces the oxygen. Carbon
monoxide can unite with red cells
200 times more readily than oxygen.

Carbon monoxide is a tasteless, od-
orless, invisible gas. It is produced
by the incomplete burning of fuels,
gases, liquids or solids. When the
improper burning of fuel is combined
with insufficient ventilation, CO poi-
soning results.

Symptoms of CO poisoning include
severe headache, fatigue, dizziness,
faintness and loss of consciousness.
Artificial respiration is imperative.
Over a long period, carbon monoxide
can cause permanent damage to ner-
vous and circulatory systems and
eventually, death.

Carbon monoxide poisoning is a
threat in the home, plant, garage, on
the highway or in any place where
fuel-burning appliances are used.

Before lighting a heater, stove or
furnace after long periods of disuse,
check to see if it is in good operat-
ing condition and that the flue or
chimney is unobstructed.

Never use a space heater in a
small, unventilated room, or turn on
the kitchen oven of a gas stove for
overnight heating purposes.

Billy Sunday, "even if it does frighten

Mr. Lynn Mason on New Year's.

Friends were sorry to learn of the passing of Mrs. Thos. McKeown, at Campbellford Hospital on Tuesday. The funeral, which was held at Spring Brook Church on Thursday, was largely attended by relatives and friends. Sympathy is extended to the bereaved ones.

Mrs. Percy Wood, Peterborough, is spending some time with Mrs. Geo. Thompson.

U.C.W. held a pot luck supper in the Church dining hall on Thursday evening, following which Mr. and Mrs. Don Belfrey, Campbellford, showed pictures on Iran where they had lived for three years. Mr. Belfrey is an employee of Ontario Hydro. The pictures were most interesting. A number of souvenirs were also on display.

Mrs. Fred McKeown, Mrs. Etta Hallstone and Mr. and Mrs. Arthur Reid, Mr. Bill Morton, Mrs. Easie Reid and Mr. and Mrs. Dick Morton met at the home of Mr. and Mrs. Cliff Anderson, Campbellford, on Friday, December 30th, in honour of Mr. and Mrs. Anderson, who were celebrating their 40th wedding anniversary. The brothers and sisters presented them with a pole lamp in honour of the happy occasion.

present vehicle is worn out and cannot be further utilized except with continual high repair costs.

In 1966 this council sold various small pieces of property held in the name of the village. While we may not have realized a great monetary return from these sales, we should benefit in the future returns of taxes and frontage fees from these parcels.

The parking lot development has been approved as a Winter Works Project by the Senior Governments so the cost to the village of preparing this area for use will be infinitesimal.

One area where compassion is of prime consideration is in the assistance we must continue to render to those who, through circumstances they cannot control, need special consideration. Approved welfare costs are shared 80 percent by the Senior Governments and 20 percent by the local authority. However the concern develops in trying to be sure that the expenditures are warranted and in the correct category.

Our growth has not been too great through 1966 although there has been growth. Some disappointing aspects have been the results of efforts expended so far in trying to procure additional medical services for our community; also the procurement of a Liquor Store for Stirling as requested by our voters. I can assure you that efforts of various citizens are discreetly being pursued along these and other avenues and I hope that favour-

able announcements will be made in the near future.

1966 assessment has been greater than in 1965 but not to a degree that will offset additional costs and I can almost assure you of a slightly increased levy in our mill rate this year. Local operating costs will be slightly higher and costs, over which we have no control, will also be higher. However, with prudent budgeting, we must try to keep these increases as small as possible. The increased payments promised soon, by the Federal Government, to certain of our senior citizens will certainly be welcome assistance to them.

Stirling Village is in as good (if not better) a financial position of any urban centre in Hastings County and it behooves all of us to not only retain but to enhance this position. I am sure that it is the intention of all of us, council and citizens alike, to diligently work toward this objective.

We wish you

Inaugural Address
Reeve Rodgers

Following is the text of Reeve D. W. Rodgers address at the inaugural meeting of Stirling Council held on Monday night:

May I take this opportunity to thank members of Council for the fine support and co-operation I received this past year; also to offer congratulations for your re-election to this 1967 Council. I would also like to thank the Clerk-Treasurer, Mr. W. L. Pollock, for his fine efforts and co-operation on our behalf. I sincerely hope that I will be tendered this same degree of support during 1967. I might say, in this respect, that I enjoyed working with all the commissions, committees and boards during the past year and I can assure you I had the finest co-operation. I also say that Stirling Village can be fortunate in having the quality of representation that it does on these bodies and in its employees as well.

1967 is Centennial Year in Canada — a historical year — and I hope that a programme will soon be finalized for our community so all of our citizens will have an opportunity to participate in this commemoration.

It is also my hope that our Chamber of Commerce will be able to play an increased role in our community development. It is very important that every individual who can do so will offer a portion of his time to our community betterment and that his contribution will find a sphere in which to develop.

I was very happy that our Recreation Committee was able, in 1966, to assist a Senior Citizens Committee in being and I am sure you will join with me in wishing this organization (that can contribute a great deal to our village) every success.

In 1967, some of the projects started in 1966 and earlier will be finished: the sewerage extensions, a downtown parking lot, the arena renovations and other minor prospects. It should be pointed out that the completion of some of these will cause temporary inconveniences to our citizens. It is hoped that they will bear with us during this period. The most difficult area will be Front St. West during construction. May we assure those most effected that we have asked the contractor to use every means possible to minimize the inconvenience.

One item of expense that we will have to budget for this year will be a replacement of the village truck. Our

Rebels Win Pair

Glen Ross Elaine Rebels continued their winning ways in the Centre Hastings Hockey League, edging the Foxboro Lumber Kings 6-5 on Thursday night and clipping the third place Wallbridge Warriors 6-4 on Sunday night. Both games were played at the local arena. Glen Ross remain atop the league standings with 25 points, five more than second place Ivanhoe.

At one stage in Thursday night's tilt the Rebels trailed 4-1 but cut the margin to 5-4 going into the final stanza and potted two unanswered goals in the third to snatch the victory.

Andy Faulkner and Ken McConnell each potted a pair of goals with singles going to Gary Mason and Jackie Wright; the latter scoring the winner with only two minutes remaining in the game.

Sunday night, the Rebels reversed their tactics and piled up a four-goal lead before the Warriors got on the score sheet. The Rebels divided their goals among Andy Faulkner, Ken McConnell, Doug. McCrory, Ross Anderson, Dave Potts and Jack Wright, the latter scoring the winning goal for the third consecutive time. Young Billy Dudgeon fired three of the Wallbridge goals.

The Rebels next start is Sunday night when they tangle with the Lumber Kings from Foxboro, however, they have an exhibition tilt on Thursday with the Quinte Sacs at the local arena at 9.00.

TAKE TIME TO BE SAFE

No job is so important and no service is so urgent that we cannot take time to perform our work safely. A simple, logical statement with which no reasonable person will disagree. However, some people are not with us today or are maimed for life simply because they did not take time to perform their work safely.

Haste, directly or indirectly, is the most frequent cause of accidents today. Accidents don't just happen, they are not bad luck, rather they are the result of some action or lack of action. In other words, they are caused.

Winter is almost upon us and in some places it is here. This means increased activity in the woods. Timber operators are starting their fall cutting operations and many farmers are getting ready to cut a few logs and some fuelwood from their woodlots. In all cases there is a degree of ur-

gency. Christmas is not far away and the more wood that can be cut and delivered in the next month, the more money there will be available for this period of heavy spending. The hauling season in some locations is short so the wood must be cut and made ready as soon as possible. This urgency is even more important once hauling starts because time is short and money and effort has been spent on logs in the skidway and this money plus the profits won't be recovered until the logs are delivered to the mill.

Now, when the job is starting, is the time to remember to work safely not a month from now after a close call. Before even starting out, take time to ensure that you and your men can work safely. Do you have the proper clothing — hard hat, safety boots, warm clothing? Are your tools in good shape — power saw starts easily and runs smoothly, axe handle is not cracked, axe is sharp, logging chains in good condition, especially the grab hooks, winch cable is not frayed or wound on the drum in the wrong direction?

Are you using the right equipment? Tractors and loaders without a protective canopy may be safe enough for road construction, etc., in open country but they have no place in the woods and, as well, they are against the law in Ontario.

On the job be sure that working habits are safe. It is the employer's responsibility to ensure that his workers know and use the safe way of doing the job. Back sprains and strains are becoming the most common injuries in the woods today. These are usually the direct result of lifting heavy logs incorrectly and indirectly, in many cases, the results of not taking time to do the job properly. Improper use of power saws is another subject that is giving safety men some concern. Two of the most common faults are starting the saw while holding it in the hands or against the thigh and using the saw above the shoulders to cut brush and limbs.

All in all, it is just common sense to take time to work safely and the safe way is usually the common sense way when you give the subject some thought.

time Flats, over a few miles across the U.S. border into Washington and takes in Mount Baker's Western slopes. I don't know who owns the Eastern slopes, but I'm not in the market for it anyhow.

The morning I acquired this additional land, it was blanketed with a heavy fog and I failed to notice that there are hundreds of squatters on it. However, they haven't bothered me and if they continue to behave themselves I'll not dispossess them. I have plenty to do within the confines of our fences, and besides, they enhance the scene from our kitchen window, for the yellow lights in their windows give the valley a happy, cozy look every evening.

I am not sure the amount of land a machine can handle is as unlimited as the Saskatchewan friends suggest. With the exception of a small rotor tiller, I am the only machinery on this farm so far.

And I'm classed as "Used — Must Be Taken 'As Is' ". There are some worn cogs here and there which don't seem to be cured by lubrication, at least not for long. However, I'm not going to scorn the advice of a seasoned, so I have been studying literature on tractors and one of these days I may splurge. I'll explain to Nora and the kids that the hoe broke, so a tractor is now an absolute necessity!

Jehovah's Witnesses Convention To Be Held In Belleville

GREENHORN FARM EXPANDS

Among many letters of encouragement this greenhorn farmer has received from readers was one from a Saskatchewan farmer who wished us well, but wrote: "Only ten acres! That's too small — that's about the size of my farm yard alone. Keep your eyes open for more land nearby — the same machinery will handle it, and will give you a chance to make a profit."

I realized he was right and did something about it. I've laid claim to many additional acres. The ten I referred to in a previous column is merely that portion of Greenhorn Farm encompassed by our white Kentucky fence, our intensely cultivated acreage. Beyond that, our land stretches from the top of Wander Inn Hill out across the Serpen-

Chatterton W.I.

Mrs. Ben Blecker opened her gaily decorated home for the Christmas meeting of Chatterton Women's Institute with a good attendance. President Mrs. DeMille opened in the usual manner and gave a Christmas reading.

The business included a letter from the Home Economics Department re a Block Printing Course; discussion on starting a 4-H Girl's Club, if leaders were available.

The programme was under the direction of Mrs. B. Blecker, Mrs. G. Irvine and Mrs. B. Mitts, taking in the four seasons of the year. Mrs. Marilyn Scofield led a very humorous skit entitled "Spring." Readings were given by Mrs. A. Gulliver, "Recipe for a Happy Home;" Mrs. B. Mitts, "Being a Mother;" and several other short selections. Mrs. B. Blecker read "A Christmas Recipe." She then displayed the "Holy Ghost" or "Sand Shell" and described and told the meaning of its markings.

Readings, "How Christmas Came To Be" and "Autumn Glory" were read by Mrs. R. Ross and Mrs. R. Campbell. Mrs. W. Dixon, Mrs. D. Little rendered a vocal duet, "Thou Shalt Call His Name Jesus."

The "Guy Lombardo" group brought forth of their talents which were much enjoyed. Mrs. G. Irvine acted as Guy Lombardo. The featured guests were "The Lemmon Sisters" (Pat Gardner, Mrs. Chas. Prest, Mrs. E. B. Finkle), with their uke, tin pans, kazoo, drums and vocal cords caused quite a sensation. A Beatle impersonation by Anne Ross, dressed for the occasion, put on quite an act. Lugorachi with her candelabra rendered several selections on the piano (Mrs. Floyd MacInnes). "Helena from Hawaii" (Helen Reid) gave her impressions of hula dancing. This group was much enjoyed.

Mrs. Marilyn Scofield gave a quick inexpensive Christmas gift ideas, wrapping and making bows.

The hostess and assistants served lunch of Christmas cake, cookies, jellies and coffee.

Family Twosome Tournament

As a member of the Ontario Bowling Proprietors' Association, the Stirling Bowl-O-Drome sponsored a Family Twosome Tournament. Many of the Public School Bowling League teamed up with adult members of their family.

There were two divisions for both girls and boys: Bantam (not 12 years on September 1st) and Junior (not 15 years on Sept. 1st). In the Bantam division Elaine Williams teamed up with her mother to win and Robert Arbuckle, with his grandmother, Mrs. Warren Arbuckle, was the boys' winner.

In the Junior division, Denise Meeks and her mother won, as did Freddie Smith and his cousin, Tim Beith.

Each of the Public School Bowlers received a handicap, based on their average as of December 1st, but their partners received no handicap. All the winners and their partners received handsome B.P.A.O. "Family Twosome Crests".

Many fine comments were heard as to the good time had by all and Mr. and Mrs. Poste would like to thank the adults for turning out and making the tournament a success.

Successful New Year's Eve Party

The Annual New Year's Eve Party was well attended and most enjoyable. Dancing before and after a buffet turkey supper went along with the usual high jinks of welcoming the New Year in. The excellent dance floor, together with the newly-installed P.A. system, which supplied the finest in recorded music, added greatly to the pleasure of the occasion.

Presentations Made

During the evening the presentation of a Past President's medal was made to Past President Wm. McMullen and a lovely bouquet of red roses to Mrs. McMullen. Cde. and Mrs. Lawes performed the honours on behalf of the Branch. Cde. Bill and Helen, who have completed a fine job for the Branch over the past two years, were enthusiastically thanked by all in attendance.

A further presentation of a President's button was made by Past Pres. McMullen to President Elect E. Wilson, who takes over the leadership of Stirling Legion in the New Year.

Remember — Take your boy, don't send him, to the Arena!

Mr. and Mrs. Morley Phillips Observe 50th Wedding Anniversary

On December 27th, Mr. and Mrs. Morley Phillips, of Stirling, celebrated their 50th wedding anniversary when friends and neighbours called on them in the afternoon and evening. Mrs. Elvin Carr poured tea and Miss Joanne Phillips and Miss Sherry Carr, granddaughters of Mr. and Mrs. Phillips, served dainty refreshments.

The previous night, Mr. and Mrs. Phillips were honoured in the Community Hall, Stirling, by a large number of relatives, with Miss Laurie Carr in charge of the guest book.

The bride and groom of fifty years looked very nice; she in a navy silk with crimson velvet accessories and corsage of gold mums, and he in a navy suit and white carnation in his lapel.

The theme of the party was "The Golden Anniversary Waltz". The hall was tastefully decorated. Focal point of the room was a table covered in white damask and centred with a three-tiered, pedestal-style wedding cake, with tall white tapers in gold candlesticks at each end. Streamers in gold and white, held by gold rosettes, arched from the table to the ceiling, providing a lovely setting for pictures of the cake-cutting ceremony.

Dancing was enjoyed, with the honoured couple leading the first waltz. Music was provided by a group called "The Unhearses" and comprised of Mrs. Marjorie Dunstan, Mrs. Wilma Carr, Mr. Tom Bronson, Mr. Kenneth Bronson and Mr. Elvin Carr. Mr. George Cotten called for the square dances. Mrs. Oliver Willis and Master Kenneth Bronson sang duets for solos with Mrs. Palmer Phillips (Shirley), at the piano. Reminiscent of times past was the singing around the piano by a group comprised of Shirley, Marge, Wilma, Carl, Floyd, Mrs. Phillips, Mrs. Oliver Willis, Mrs. T. McConnell, Kenneth Bronson, Robert Bronson and Tom Bronson.

Messages of congratulation were received from the Rt. Hon. L. B. Pearson, The Rt. Hon. John Diefenbaker, His Excellency Gov. Gen. Van der Horst, The Hon. John Roberts, Mr. Rod Webb, M.P.P., Mr. W. E. Sandcock, M.P.P., Clarke Rollins and the Council of Stirling Village, as well as a large number of cards from relatives, friends and neighbours.

Buys Home

A real estate deal of interest was completed recently when Mr. Raymond Geen, Sidney Township, purchased the home formerly owned by the late Mrs. Bert Eggleton, on Edward Street. Mr. and Mrs. Geen and family are now residing here and will operate Geen's Taxi from this location.

Bantams Win

On Monday, January 16th, the much talked about Stirling Bantam hockey team played what proved to be a very exciting and different type of hockey game.

Madoc scored the first goal which met with no approval from goalie Dave Wellman. However, after this the rest of the team pitched in to make the final score 9 to 1 for Stirling.

Goals scored for Stirling were Rick Hudson, Jack Sils, Rick Farrell, Rick Wright, while Mike Hunter scored twice and Gord Spencer counted for three.

As Minor Hockey Week is from January 21st to 28th, don't forget — bring your boy to the rink, don't send him — as the Minor Hockey Association can certainly use your moral and financial support.

After the presentation of the many beautiful gifts, Mr. and Mrs. Phillips voiced their appreciation to everyone and thanked them for coming to the party in their honour.

Mr. and Mrs. Phillips (nee Edna Bronson) were married in Belleville at the Tabernacle Parsonage by the Rev. J. Moore and honeymooned at Clare, Mich., and Clinton, Ont. They lived on the farm on Concession 3, Thurlow, for 22 years, then moved to Stirling in 1938 where they now reside. They have six children: Mildred and Marge, of Toronto; Shirley, of Westport; Wilma, of Belleville; Carl, of Trenton, and Floyd, of Shanville. There are twenty-six grandchildren, many of whom attended the party, and eleven great grandchildren.

Guests were present from Toronto, Brampton, Kingston, Westport and from many towns in this district.

Letter To The Editor

Dear Sir:

In reply to last week's letter in reference to coaches of Stirling Minor Hockey teams, the following members of the "Stirling Coaches and Managers Union" feel that we are all doing our best and at the same time will step down at any time when somebody else offers their services, on their own time and a promise that they will spend at least an equal amount of time in an effort to help the boys of the community, while at the same time accept, without hard feelings, the abuse that is always being tossed our way by parents and fans who sometimes show up at the odd game.

Signed:

Bob Green, Novice; Bob Hudson, Bantam; Bert Bastedo, Pee Wee; Ron Hadley, Bantam; Ross Searles, Novice; Ross C. Kinn, Pee Wee; Bill Duffin's, Juvenile; Ray E. Shortt, Juvenile; Bob Anderson, Midget.

Do You Remember?

— TWENTY-FIVE YEARS AGO —
Issue January 22nd, 1942

The funeral of the late David Burkitt was held on Saturday at St. Paul's United Church.

Roy Eggleton was elected chairman of the Stirling Hydro-Electric Commission for 1942 at the annual organization meeting. Mr. F. Sprentall was appointed again as manager. After an illness of several months' duration, Mrs. Harry Farnsworth died at her home in Stirling on Thursday.

Quinte Sacos Top Glen Ross

A medium-sized attendance at the local arena Thursday last saw the Quinte Sacos edge the Glen Ross Elaine Rebels 4-2 in a fast, clean, crowd-pleasing brand of hockey.

The play ranged from end to end throughout the game, both teams playing heads up hockey with very little body contact. Only three penalties were handed out by referees A. Bird, of Stirling, and J. Emerson, of Belleville.

Quinte leaped into an early lead when Doug McCrorie shovelled home a shot from a scramble, but the Rebels bounced right back with Wright drilling a low blast by Saco goalie Johnny French, on an identical play.

Quinte scored the only goal of the second stanza when Don Forsyth in attempting to center had his pass deflect off a defenceman's skate by Taylor, for a 2-1 lead going into the final twenty minutes.

Forsyth put Sacos two up when he hammered home a perfect pass from Heilman.

Andy Faulkner stole the puck from a defenceman and raced in to narrow the count to 3-2. The Rebels missed several golden opportunities to knot the score but lacked the finishing touch. Art Deline scored the final goal late in the game with the Rebels pressing.

Rebel coach Merritt Wood was pleased with his club's initial performance and expects better of them after a few more practices and exhibition games.

The line of Faulkner, McConnell and Wright was the Rebels top line but the rest of the squad, new to each other, couldn't click on their passing.

Quinte — J. French, J. Hughes, A. Deline, D. McCrorie, D. Forsyth, D. Ray, W. Tummon, D. Heilman, L. Potter, J. Gibby.

Glen Ross — B. Taylor, R. Anderson, T. Dobson, A. Faulkner, G. Hagerman, Doug Potts, Dave Potts, Bobby Chesher, Billy Chesher, K. McConnell, J. Wright, Bill Hunter, Bob Hunter, Bob Hearn, B. Dafeo, D. Benson, G. Mason; coach, Merritt Wood; manager, Garfield Aylesworth.

THE BIBLE TODAY

Russia annually spends about 100 times more on atheistic literature than the world's Christians spend each year on new Bibles, says Dr. John H. McCombe, Jr., American Bible Society executive secretary for church relations, as reported in the Lutheran Witness.

Dr. McCombe told the Southern Baptist foreign missions conference meeting recently in North Carolina, that the churches are doing "almost nothing" to place Bibles and other Christian literature into the hands of some 20 million people around the world who become literate each year.

Annually the government of the Soviet Union spends \$1.5 billion for literature outside the Soviet Union, all of which is theistic, while Christian churches spend less than \$15 million for the translation, production and distribution of the Bible.

Referring to the population explosion, the ABS secretary said that in 84 years "the world's Christian strength will be cut exactly in half". The world's population is increasing about 70 million annually, he explained, compared to the Christian increase of 20 million a year. Today Christians total about 32 per cent of the world population, and at the present rate of expansion, Christians in 84 years will comprise only about 15 per cent.

Local Residents In Car Accident

An 18-year-old Belleville girl was instantly killed shortly before midnight Friday night in a two-car crash at the intersection of Highway 14 and the 5th concession of Sidney, just west of Foxboro.

Dead is Miss Lillian Scerri, 46 Centre street, who died when the car in which she was riding was in collision with a northbound vehicle.

Provincial Police said the accident occurred during a dense fog which blanketed the area.

The dead girl was riding in an east-bound car driven by Barbara Anne Ganon, 69 Donald Street, Belleville. The second vehicle was driven by Allen M. Reid, R.R. 2, Stirling. Also in the Stirling car were Mrs. Reid and their two children, Karen and Kevin. They all received bruises and lacerations.

The Animal In Man

Man's descent from the animal kingdom has yet to be proven but there seems to be no doubt as to his relationship.

As a boy he is likely to be a Wolf Cub; as a man he may become a Lion or an Elk. In adolescence, he is liable to eat like a pig and be as awkward as a bull in a china shop. When he first dances with a girl he'll be clumsy as an ox though he thinks he is having a whale of a time. Under certain conditions he may some-

times be referred to as a jackass.

When a man doesn't agree with a woman, he is as stubborn as a mule. If he outwits her, he's as sly as a fox and when he's hard to catch he's as slippery as an eel.

If a man looks at another woman after he marries, he's an old goat. Eventually he becomes as gray as a badger and develops the hide of a rhinoceros, says his wife, who still thinks she's as cute as a bunny.

WHEREAS, this being the Canadian CENTENNIAL YEAR, it is important that all Canadians support truly CANADIAN activities; and

WHEREAS, it is the hope of every municipality to develop one or more players capable of representing Canada as a member of Canada's National Team, and

WHEREAS the Minor Hockey Association in this community has earned the commendation and support of every citizen, and

WHEREAS Minor Hockey is the foundation from which accomplished hockey players develop,

NOW THEREFORE, I, as Reeve of the Village of Stirling, do hereby declare the week commencing January 21st be observed as

"MINOR HOCKEY WEEK IN CANADA"

and request that all parents and others support this observance by attending games during Minor Hockey Week and thereafter until the minor hockey season ends.

St. Paul's UCW General Meeting

The first U.C.W. general meeting of the New Year was held January 3rd in the Sunday School room with an average attendance. A warm welcome and a wish for a happy and peaceful New Year was expressed by the president, Mrs. Jack Bush.

Rev. J. Bruce Small was present and led the service for the re-installation of the executive.

A highlight of the evening occurred when Mrs. David Duffin, on behalf of her mother, Mrs. Wm. West, presented Life Membership pins to Mrs. Clare West and Mrs. Russell West.

The chairman of Christian and Missionary Education, Mrs. Elwood Bateman, reported that the boys who had spent part of their Christmas holidays at Five Oaks and Older Boys' Parliament would be speaking of their activities at regular church services. Miss Bonnie Bateman, the Youth delegate to Toc-Alpha, was heard on Sunday, January 8th.

Mrs. R. Patterson, Stewardship and Recruiting, gave a suitable reading, expressing wishes for the New Year that all may go forward, alert and eager for each new endeavour.

The president reminded everyone of the congregational pot luck supper on January 18th at 6:30; the World Day of Prayer on February 10th at St. James Catholic Church; and the Presbyterian meeting at Holloway St. United Church, Belleville, on January 31st and February 1st.

Miss Lenora Williams, Mrs. Bruce Small, Mrs. Don Williams and Mrs. Clare West volunteered to attend.

After much debating, it was voted to not have the annual St. Patrick's Day supper. It was also decided to unite the three evening units into two for this year.

Members of Unit Four lead in the devotional which opened with a hymn and a prayer repeated in unison. Mrs. H. Donnan gave a reading on "Twelve New Year's Commandments" and led the worship service.

on Christ called to Messiahship. Scripture lessons were read by Mrs. Ed. Warren and Miss Lenora Williams.

The programme, presented by Unit 5, opened with a message, by Mrs. John Good. "Life is a landscaping job. We are given one site and it is up to us to get the most out of it. Most of us do not. We feel if we had some one else's site, we would really plan and build. What we do and where we go all depends on the starting point. We must plant and leave the rest to God."

A skit on the roll of Laity in the Church was acted by Mesdames E. Carr, P. Conley, N. Rosebush and J. Bush. What is the role of laity in the church's mission? Laity is the Church. Members should take on more responsibilities in the Church and in the community, helping the minister as much as possible; establish Christian homes and give leadership to help carry Christianity into our communities. The greatest weaknesses of the laity are indifference, criticizing, fear of not being capable or spreading ourselves too thin in too many organizations. The Church, which was started by Christ, has no discrimination or prejudices. God needs servants — every man and woman. There is always someone who needs us. Give yourself as best and as often as possible. We can help Him wherever we may be.

Mrs. Clare West led the question and answer period. The Mizpah Benediction closed the meeting.

Lunch was served by Unit One. The next general meeting will be on Tuesday, March 7th.

Rawdon Hi-C

On January 11th the members of Rawdon Hi-C met at Wellman's United Church for the first meeting of the new year. Devotions opened with Gayle Hoover reading the Scripture, followed by the story "A Happy New Year," by Carol Seeley. Carl Atkins and Steven Gliddon took up the offering which was dedicated by Rev. W. C. Cox.

It was voted to give each Charge \$10.00 for the Missionary and Maintenance Fund.

Rev. Cox conducted the election of officers for 1967 which resulted as follows:

Past President, Fred McAdam; President, Ralph Dunham; Vice-President, Jean Jeffs; Secretary, Carolyn Merrick; Treasurer, Judy McAdam; Leader Group 1, Howard Jeffs; Leader Group 2, James Scott; Leader Group 3, Gayle Hoover.

Hastings Historical Society

M. G. Greig, President of Hastings Historical Society chaired the January meeting in the Corby Library, on Monday, January 9th. During the business part of the meeting, Mr. Greig invited interested people to the active workshops in the Museum to prepare for the opening on May 20th, 1967. This is when the "Light Collection" — the best in Canada — will be on display as a Centennial project. The museum is now closed for a short time, except for booked tours.

Two very interesting and exceptionally educating talks composed the programme.

Mr. Ross Irwin, a collector of coins for the past 50 years, explained and gave the history of some of his coins. He has a very interesting collection of Canadian coins from 1858, the beginning of Canadian currency. He also displayed earlier "tokens" — coins used in lieu of small change by merchants when coins were scarce and English money was used. These were chiefly made in England and were the value of 1 penny each. He gave the history of many things found on coins, for example — why kings faced opposite directions and the Maple Leaf dot, etc. He had some interesting stories and coins of other countries, such as Persia (date 1320 or 1902, our time), Hawaii, India and England.

The Rev. Wm. Lamb, Minister of Holloway United Church talked on the life and history of Barbara Heck. The Heck family belonged to a group of Palatines from Ireland and Barbara is designated the title "The Mother of Methodism" in North America.

He illustrated his address with pictures of Barbara, the Heck home, documents, pages of Bibles and many books. He explained how the Heck house, built around 1800, was salvaged from the Dupont Company, dismantled and moved 35 miles, where it is being rebuilt as the centre of a new project, "The Landon Bay Vacation Centre". Mr. Lamb is the archivist of the Bay of Quinte Conference and he explained the purpose and future use of this project. He had

some of the wooden panels from the groove and tongue partitions, a piece from the unusual fireplace and a spindle from the stairway, that are being sanded and restored before assembling. This Centre is planned for an Ecumenical Centre which will be of use for religious education and tourist attraction.

These historical meetings are very worthwhile. Plan now to attend the February 13th meeting.

Coffee was served while the exhibits were further examined and enjoyed by all.

Heron — Christie Wedding

Foxboro United Church was the setting for the wedding of Reta Olive Christie, only daughter of Mr. and Mrs. Russell Christie, and Mr. John Gilbert Heron, son of Mrs. Gilbert C. Heron and the late Gilbert C. Heron, of Frankford. Rev. Alfred Poulter was the officiating minister and the wedding music was provided by Mr. S. Alex Gordon.

The bride, who entered the church on the arm of her cousin, Mr. Raymond Coulter, was dressed in a Vogue Couturier design full-length gown of white velvet brocade, featuring an Empire waistline and bell-shaped sleeves. Her crown of seed pearls and crystallettes held a sweeping train of tulle. Her muff of matching velvet was adorned with Pink Delight roses and ivy.

The bride's attendant was Miss Marjorie Spencer, of Belleville, who wore an Empire line gown, featuring a brocade bodice and full-length blue velvet skirt. She carried a brocade muff crested with white poms and ivy.

Mr. Douglas Ketcheson was groomsman and Mr. Peter Heron, the groom's brother, and Mr. Allan Barnsley were ushers.

The reception was held in the church parlours and the guests were received by the bride's mother, wearing a teal brocade coat dress, matching tulle turban and a corsage of Pink Sensation roses. The groom's mother assisted and she wore a knit lame dress of gold metallic in Paisley pattern, with matching feathered hat and corsage of Amber Gold roses.

For their wedding trip to the Eastern States and Montreal, the bride chose a Winter White wool dress with matching jacket and fox collar, burgundy accessories and a corsage of Yuletide roses.

Mr. and Mrs. Heron will reside at Frankford, R.R. 3.

Announcement was made a couple of weeks ago of Bell Canada's Centennial Fellowship Program. For years our Company has been interested in education projects, from the High School Science Programs to those at university level. And now, as a Centennial Year project, the Fellowship program has been established to support the further development of post-graduate education — one of the urgent needs of the Canadian educational system. I was most interested to note that the fellowships will be truly a Canadian program. They are for exceptional Canadian students who plan to do graduate work in a Canadian university or college. Beginning this year, 1967, this program will be administered by the Association of Universities and Colleges of Canada and will provide four new fellowships each year to assist students to achieve their educational objectives at a post-graduate level. And, there will be no restrictions as to the nature of the studies the successful candidate may pursue. Preference, however, will be given to those subject areas which appear most directly relevant to the scientific, political, social or economic needs of Canada. We at Bell Canada hope that by commemorating the past 100 years in this way, we are also assisting some of the young Canadians who are the future of our country.

I've decided to make an addition to my list of resolutions for 1967. After hearing a brief run-down on the bewildering variety of projects which will help celebrate Canada's Centennial, I think I'd better take a deep breath and "go into training" for the busiest, most exhilarating and interesting year most of us will ever experience. From the sound of things no one should be able to say "I've nothing to do" during 1967. The difficulty will come in trying to select the most interesting of the nationwide projects in addition to our own local celebrations. Already the Confederation Train has begun its coast-to-coast tour to bring Canada's story to 63 cities and the Confederation Caravans, which tell the same story, will visit 657 more communities. Ten teams of hardy Voyageurs will follow the treacherous, 3,500 cross-country route of the original Voyageurs between Alberta and Montreal. In the summer, 13 teams of mountaineers will climb 13 of the highest unclimbed, unnamed peaks in the Rockies and name one for each province and the Northern Territories with the highest peak designated Centennial Peak. For sport enthusiasts, the Pan-American games will be held in Canada for the first time — in Winnipeg, July 22 to August 7. The RCMP will stage special performances of their famous Musical Ride. And, of course, there is Expo 67 — the fantastic spectacle of Man and His World being held in Montreal from April 28 to October 27. Expo people feel that all roads will lead to Montreal this year as millions of Canadians and their guests make a visit to Expo 67 part of their Centennial Year plans. While you are there, I hope you will also visit the Telephone Association of Canada pavilion, which, I understand, is even now quickly nearing completion. There you will see an exciting film "Canada 67". I'll tell you more about that in another column. Sounds like a fascinating year to be a Canadian, doesn't it? I hope you enjoy as many of the celebrations as you possibly can.

The Recreation Committee will meet the second Thursday of each month at the Council Chambers.

STIRLING HORTICULTURAL SOCIETY

Protection of coniferous evergreens and densely branched deciduous shrubs against breakage under the weight of snow is best done immediately after each storm, by lifting each branch separately and shaking from side to side. Never strike loaded branches downward, as this would increase the strain on them.

Entertain At Hastings Manor

On Wednesday night, Jan. 11th, Jack McCaughen and Ken Stapley, the producers of the Trent Valley Country Jamboree, with fifteen of the entertainers from the Jamboree, travelled to Hastings Manor and put on a Jamboree for the people at the Manor.

The evening was such a success that Mr. York invited the cast to come again to put on another Jamboree in the near future.

In Carling Cup Finals

The Carling zone roll-offs for women bowlers were held in Brighton and Campbellford, with ten games being bowled in each place. Verna Woodbeck, of town, averaged 216 for the twenty games and along with Mary Slaught, Brighton, and Madeline James, Belleville, earned the right to represent the Quinte District in the Ontario Singles Championships to be bowled at Ottawa on March 23 to 25.

The top five bowlers are members of the ladies team, so Verna also bowls on this as does another Stirling bowler, Earla Crossman.

The first and second finishers in teams and singles at Ottawa will be flown to Winnipeg for the Canadian five-pin championships and the Carling Cup.

Represent St. Andrew's

Mrs. Bert Cook, Mrs. George Haggerty, Miss Gena Spry, Mrs. Earl Fox, Mrs. D. C. MacPherson, Mrs. L. Daffoe, Mrs. Hutcheon and Mrs. Jas. Johnston from St. Andrew's Presbyterian Church, attended the Annual Meeting of Kingston Presbyterial held in Belleville on Wednesday, January 11th. Mrs. Cook and Mrs. Johnston are members of the Presbyterial Executive and Mrs. Haggerty was the official representative to the executive from St. Andrew's, Stirling.

Successful Euchre Party

A successful euchre party was held at the L.O.L. Hall, Front St., on Saturday night, January 14th, sponsored by Stirling L.O.B.A. The following were the prize winners:

Men's high, Mr. Bill Barlow; men's low, Mr. Waterfall; ladies' high, Mrs. Emma Roe; ladies' low, Mrs. Frank McGee; door prize, Howard Wallace. Prizes were donated by Rainbow Beauty Shoppe, Doug. Patterson, Crest Hardware.

Weekly Meeting of Senior Citizens' Club

On Thursday, January 12th, the Senior Citizens' Club of Stirling and District held their second weekly meeting of 1967.

The first hour was devoted to the regular program of cards, after which Mr. and Mrs. John Good screened coloured slides of their trip to the West Coast. The pictures were beautiful and Mrs. Good's description of the trip made for an enjoyable hour. We hope they will be back again to show more pictures.

The ladies served refreshments, including some home-baked cookies brought by Mr. C. Cain.

Ten Pin League

Saturday, January 14th —

Hot Shots 7 (72), Flyers 0 (33). High single, Ralph Scea 188, high triple, Ray Poste 503, high average, Ralph Scea and Ray Poste, 156.

Other good triples and singles, John Reichert, 449 (166 and 148); Doug. Scea 447 (159 and 152); Ralph Scea 447 (188 and 155).

Public School Bowling League

Saturday, January 14th —

Nice Shots 3 (63), Butter Bugs 2 (33), 6 Hits and A Miss 5 (43), Jit-terbugs 0 (41).

Girls' high single and double, Kathryn Valchar, 225 and 428; high average, Patsy Cameron, 164.

Boys' high single, double and average, Danny Beith, 210, 376 and 162.

Other good doubles and singles — Jill West 362 (199 and 163); Peter Nicholson 337 (186 and 151); Denise Meeks 330 (220); Steven Crossman 323 (182); Robbie Arbuckle 304 (188); Ricky Farrell 302 (190). Good singles were Paul Jones 167, Ken Burfoot 178, John Williams 164, Susan Tucker 156 and Elaine Williams 155.

How about a little better team spirit on the part of some of the bowlers. It is very disappointing for 3 or 4 members of a team to turn out faithfully and have to bowl against a team with 6 or 7 present.

Horticultural Society

The first meeting of the new year was held at the home of the president, Mrs. Floyd Armstrong, on Monday, January 16th at 2.00 p.m.

There were twenty-four members in attendance. The president opened the meeting with prayer, after welcoming all present.

A letter was read re Horticultural stickers for cars. A news letter from head office was also read, describing a Flower Sunday Service at Orno. The church had been decorated by a Junior Horticultural Society who apparently did a wonderful job with their floral arrangements.

Plans are underway for the arrangements of flower beds for Centennial Year; also a committee was formed for the Centennial Flower Show in June.

Mr. J. B. Belshaw was the representative at the Chamber of Commerce meeting on January 11th and reported that there were many suggestions for Centennial Year. He was also allotted twenty-five dollars for materials to build benches to be placed in the community as one of the Centennial projects.

Twenty-seven membership fees were paid and it is hoped that canvassing will start in February. The president provided a delicious lunch of sandwiches, pickles, cheese and beverages. She was ably assisted by members of her family.

Programme
Mrs. Percy MacMullen gave a reading, "A Place For Rhubarb". Mrs. F. Armstrong gave two readings, "New Varieties of Plants and Flowers for 1967" and "New Varieties of Sweet Corn and Tomatoes".

The next meeting will be on February 20th, at the home of Mr. and Mrs. J. B. Belshaw.

THE GROWTH OF A NATION

Half of the fun of any party is in the anticipation of it.

And this is especially true of Canada's Centennial celebration, the News-Argus this week begins an exclusive weekly 24-part series, "Canada's Century".

"Canada's Century" tells what Confederation is all about, tracing Canada's growth from a struggling little colony to one of the great nations of the world today. The series gives the full story of what motivated the Fathers of Confederation to found a nation, and how they overcame the critical obstacles that lay in the path. It unfolds the entire background of Canada's development in agriculture, industry, science, sports and culture, and examines the role she played in the world wars, and how her troops have been in the vanguard, standing sentry for peace.

If you want to know more about Canada and her heritage, then turn to page seven and follow "Canada's Century" weekly in the News-Argus.

Although they will be without the services of Doug Potts, they expect to have such names as Bobby Hunter, Glenn Hagerman, Eldon Grey and Barry Dafee in the lineup.

Senior Citizens Entertained

The ladies of the River Valley Institute played hosts to the Senior Citizens' Club in the Masonic Hall on Thursday last.

A lively time was enjoyed by an increasing number of the older citizens with an old-fashioned sing song after card games and topped off with refreshments served by the visiting hosts.

Several friends in the Stirling area have offered to show coloured slides and movies at the meetings. The pictures already shown by Mr. Guy Bradshaw and Mr. John Good were much enjoyed and are a sample of the entertainment planned for the Winter season. There are some fine sound movies available from the Public Library which will be shown.

So come along and enjoy a couple of hours each Thursday afternoon, at 2 p.m.

Further meetings are planned in the near future and details of various events will be announced as plans are finalized.

Let us all resolve to lend a hand to make our Centennial Year projects an outstanding success. It would be a great help to the committee in charge if all citizens would take part and not sit back and wait for someone else to do all the work.

An address, prepared by "Gar's" former teacher, Mrs. Cora Reid, was read by Paul McKeown, and a purse of money was presented to Garland and Irene, by Bob Tinney. The bride and groom thanked all for their kindness and the crowd sang "For They Are Jolly Good Fellows".

Mrs. G. Haggerty

President of Presbyterian Women

The January meeting of the Presbyterian Women of St. Andrew's Church was held in the Sunday School rooms with the new executive as hostesses. The retiring President, Mrs. Bert Cook, opened the meeting with a New Year's Prayer and then called on Rev. MacPherson, who installed the new executive with a short service of dedication.

Mrs. George Haggerty, President, began with a short poem, "A Wish for the New Year" and Psalm 67 was read in unison. Mrs. MacPherson stated in her meditation that this was a wonderful Psalm for the new year, although the first of the year is no different from the last for scripture says that "new every morning is high in thy love." We should take stock of ourselves, just as the merchants do and see if any change is needed in our lives. We all know that we will sacrifice for those we love, and the more we read and think about our Lord, Jesus Christ, the more we will put love into our lives for "He is love." Prayer closed the devotional period.

Mrs. Bert Cook reported on some of the highlights of the annual meeting of Kingston Presbyterian held in Belleville the previous day. Mrs. Donald Fargey gave a talk on the Centennial Challenge — Prayer People Programme. "Let us resolve as individuals in our Church to participate more fully in each of these areas; to deepen our prayer life; to participate actively in the programme; to realize the importance of people both inside and outside of the church. Above all let us be aware that the real business of the Christian Church is found in the words of Jesus "You shall love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind; and your neighbour as yourself." We are co-workers with God."

Mrs. Haggerty asked for the help and co-operation of everyone and stated that "you get out of a meeting or anything that you do just exactly what you put into it." Plans were made for a Centennial Family Supper on February 2nd. The date for the annual bazaar was set for November

23rd.

The Mizpah Benediction closed a very enjoyable meeting. The remainder of the time was spent in embroidering towels for the church kitchen, followed by a lunch of muffins and jam.

MINOR HOCKEY WEEK

Minor Hockey Week started on Saturday, and minor hockey enthusiasts all across Canada and the United States are drawing attention to what minor hockey can do, and does, for boys.

Here in this area, minor hockey is an important part of winter life for hundreds of boys and the arenas of the district are kept busy with young players being guided and taught by men and youths who give of their time because they have a love for hockey and for working with boys.

Their work is no "soft touch". There is a lot to do, and a lot to be done, and rarely, if ever, are there enough volunteers to fill all the management, coaching time-keeping and refereeing positions there are to be filled if all the boys who want to play are to be accommodated.

Minor hockey costs money, too. There is ice time to be paid for, sweaters and equipment to be supplied, as well as all the little expenses that add up to such a large total. Service clubs and sponsors help out, but much is left for parents, and much is left for the volunteers to get out and raise as best they can. For this, too, they deserve our support and commendation. This is the week, "Minor Hockey Week", when we salute them.

It would be discriminatory for us to mention individuals and we leave that to the proper authorities. Suffice for us to say that the Canadian Amateur Hockey Association makes available "Plaques" and "Scrolls of Merit" so that each community may pay tribute to its outstanding officials. Only five plaques are issued to each province in a year, but the C.A.H.A.'s minor hockey committee will provide an attractive scroll to any community that wishes to recognize one of its volunteer workers.

While we are mentioning the Canadian Amateur Hockey Association let us say a word about their work on behalf of hockey in Canada. It seems that they are often placed in the position of making unpopular decisions but we must admit that those who so readily criticize do not always have all the information. In any event the C.A.H.A.'s efforts on behalf of minor hockey cannot be denied. But let's take advantage of their offer and make good use of the scrolls and plaques locally.

To make minor hockey function all across this great nation (and it does) takes an alert national governing body, an active provincial organization (which we have in the various regional hockey associations) and energetic local groups. Boys are the life blood of the game, as they are of the nation, and we are pleased that through the efforts of the various organizations about 250,000 Canadian boys are being given an opportunity to play properly supervised, well organized hockey. Truly, hockey is Canada's national sport and more boys take part in this healthful, rousing activity than in any other game.

So we suggest that each one of us take time to visit the arena during Minor Hockey Week. By doing so, we will be paying our tribute to the men (and ladies) who make it all possible. While we're at it, let's hope that minor hockey continues to flourish and exert its influence for good on more and more local youngsters. Maybe, one of these years, one or more of our own youngsters, graduates of our minor hockey set-up, may be given the opportunity to represent, not only this community, but Canada, by winning a place on the C.A.H.A.-sponsored Canadian National Team.

U.C.W. Annual Meeting Jan. 31st Feb. 1st at Belleville

"Women in the Future" will be the theme of the fifth annual meeting of the Belleville Presbyterian United Church Women to be held in Holloway Street United Church, Belleville, on the evening of January 31st and all day February 1st.

The Rev. Ernest Marshall Howse will address the evening session, which commences at 7:30 on "Some Happenings in the Future." Dr. Howse, minister of Bloor St. United Church, Toronto, and Past Moderator of the United Church of Canada, will have some challenging thoughts for both men and women alike. Please reserve this date on your calendar. Albert College Choir will also be in attendance and lead the singing.

At the all day session a Flashback panel will recall some of the important happenings in the history of the church. In the afternoon, Miss Frances Bonwick, of the Board of Information and Stewardship, will

speak on the topic "Putting Woman in her Place." A cordial welcome awaits everyone at these two meetings.

Chatterton W.I.

Mrs. Lorne Reid opened her home to a sumptuous pot luck dinner. Following the dinner the vice-president, Mrs. Dixon, opened the meeting in the usual manner.

Included in the business was an invitation from the Quinte Belles singing group and Mrs. L. Reid and Mrs. MacInnes will attend. The organization of a Girl's 4-H Club was discussed and Mrs. S. Cook and Mrs. W. Dixon were nominated to attend the leaders' course in Stirling. A discussion on Centennial projects and ideas were left to the next meeting when further information would be available.

Mrs. Dixon provided a short programme of contests and readings by various members pertaining to Centennial and the New Year.

The February meeting will be held at the home of Mrs. B. Mitts

Bethel U.C.W.

On January 19th the members of Bethel United Church Women served a "Come As You Are" pot luck dinner in the Church Hall. There was a good turn out of guests and for awhile the ladies were quite busy.

Following the cleaning-up chores, a short worship service and business session was held.

In the absence of the President, Mrs. Don Heath, the chairlady was Mrs. O. Lightle, who opened the meeting with a poem "God's Good Morning." The meditation theme was "Kept by the power of God through faith." The scripture was Psalm 121.

Mrs. W. Heath presided at the piano. Roll call was answered by ten members paying their fees. The Treasurer, Mrs. T. Laycock, gave a very gratifying report of the year's work. There will be another pot luck dinner in February.

Golden Wedding Anniversary

The family of Major and Mrs. W. D. Locke held an Open House at their parents' home, 230 Lake Promenade, Toronto, from 1 to 5:30 p.m., on Saturday, January 14th, to welcome their many friends and relatives on the occasion of their Golden Wedding Anniversary.

Major and Mrs. Locke have five children — two daughters, Enid and Loraine (Betty) and three sons, William, Allan and Roy, all of Toronto, and who were all present. A daughter, Ruth, passed away 15 years ago.

Congratulatory message was received from the Hon. Lester B. Pearson. Several telegrams and long distance telephone calls were also received, conveying best wishes. In addition to a large number of local friends, guests were also present from Los Angeles, London, Kitchener, Streetsville, Oshawa and Montreal.

Major and Mrs. Locke were married in 1917, at the home of the bride's parents, by the Rev. C. C. Salisbury, of Burnbrae Presbyterian Church, where the bride's family were members for many years. The bride, Ida, was the daughter of the late Mr. and Mrs. Robt. Sharp and she is the sole survivor of a family of three sons and three daughters. The groom was the son of the late Mr. and Mrs. Wm. Locke.

Major Locke served overseas for 7 years in the Second World War. Major and Mrs. Locke have been members of St. Cuthberts United Church for many years. Mrs. Locke was active in the Women's Missionary Society, of which she is a life member. She was President at St. Cuthberts for many years. She served several years in Toronto West Presbyterian as secretary for Community Friendship and secretary for supplies for Home and Foreign Missions. Finally she served 4 years as Supply Secretary for the 11 Presbyteries in the Toronto Conference Branch, when health forced her to retire.

Mrs. Locke now spends much of her time on her hobby of oil paintings, several of which are located across Canada.

The family treated their parents to an enjoyable evening dinner at the Silver Flame Inn.

Major Locke is still very active, being office manager for a large wholesale fruit business at the Ontario Food Terminal.

In Memoriam

In loving memory of our dear grand-daughters, Diane Marie and Beverly Jo-Ann, who passed away two years ago.

In a quiet graveyard,
Where the gentle breezes blow,
Lies one we loved dearly
We lost two years ago.

— Remembered by Grandma and Grandpa Keating. 4-1p

LOSHAW — In loving memory of our dear daughter and sister, Diane, who passed away, January 28, 1965.

God knew that she was suffering,
That the hills were hard to climb,
So he closed her weary eyelids
And whispered, "Peace be thine".
Our hearts still ache with sadness
And tears will always flow,
What it meant to lose you, Diane,
No one will ever know.

— Sadly missed and will always be remembered by Mom, Doreen and brothers, Ricky, Ronnie and Bob. 4-1p

RODGERS — In loving memory of a beloved husband and father, Arthur Harold Rodgers, who passed away January 29th, 1958.

It is sad to walk the road alone
Instead of side by side;
But to all there comes a moment
When the ways of life divide;
You gave us years of happiness
Then came grief and tears,
But you left us beautiful memories
We will treasure through the years.

WHEREAS, this being the Canadian CENTENNIAL YEAR, it is important that all Canadians support truly CANADIAN activities; and

DON'T SEND — TAKE YOUR BOY TO THE ARENA

St. Paul's U.C.W. Unit Four

Despite zero weather, the first meeting of the New Year for Unit Four was well attended. January leaders and hostesses, Mrs. J. Sharpe and Mrs. H. Donnan, warmly welcomed the ladies on arrival.

Mrs. E. Warren, acting as leader, opened the meeting with a short timely message for the beginning of another year. Mrs. H. David was pianist in absence of Mrs. H. West.

The devotional service was led by Mrs. H. Donnan, the theme being, Christ called to Messiahship. Scripture passages to explain this were read by Miss L. Williams, Mrs. B. Bateman and Mrs. Leslie Thompson. The offering was gathered by Mrs. S. Elliott and Mrs. A. Bush and was dedicated by Mrs. Donnan.

Programme
Mrs. R. Rose read an interesting item on "Happiness." What is happiness? How may it be found? The answer being that happiness is really a by-product. It is not in having, but in sharing. It is usually attained in doing for others, or losing ourselves in something greater than us that will outlive us.

The New Year message by Mrs. Sharpe was very thought provoking. "What does Centennial year mean to us?" she asked. There are many problems in our own land and the need and hunger of other lands which should be our concern. In this year of Centennial, we will get from it according as we make efforts toward its greatness, starting with our own homes and village.

Mrs. Hector Eggleston read a poem by Edgar Guest, named, "Let Me Not Fail in Little Things." Singing of hymn 637 brought this part of the programme to a close.

Business
Mrs. Warren drew attention to the many posters displayed on Centennial and urged the women to inspect them after the meeting.

The leader for Unit Four this year will be Mrs. G. Carlisle, with Mrs. W. Camm as assistant.

Dr. Howse, former Moderator of the United Church will be the guest speaker for the evening meeting of Presbyterian held in Belleville, January 31st and February 1st.

The World Day of Prayer will be held February 10th, the first Friday of Lent, in the Church of St. James the Minor, Stirling.

Unit Four will be in charge of the programme for the next General Meeting on March 7th.

Mrs. Warren thanked those who had so kindly assisted with the day's programme and asked the new President to speak to the women. After a few remarks concerning the year ahead, and requesting the faithful co-operation of all, Mrs. Carlisle spoke briefly on the Mizpah Benediction, with which she closed the meeting.

Refreshing tea and a social hour was much enjoyed.

Carmel U.C.W.

The January meeting of Carmel United Church Women was held at the home of Mrs. Jack Armstrong on Thursday afternoon. The president opened the meeting with the Purpose read in unison and welcomed the fifteen members and one visitor. Mrs. Gerald Fraser and Mrs. Douglas Pyear gave the devotional in dialogue form.

The business included making plans for the events to be arranged for the year on the program that had been handed out to each member. Several thank you's were received from recipients of Christmas plants. New committees were formed for the year's activities. The U.C.W. will sponsor the Every Family Plan of the United Church Observer.

Mrs. Ron White dealt with the second chapter of the study book.

Mrs. Gerald Fraser was in charge of the programme and with Mrs. Ray Hagerman, Mrs. John Grills and Mrs. Robt. Hearn, presented a skit. Mrs. Ernest Grills gave a New Year's reading. The remainder of the afternoon was spent in quilting. The hostess served refreshments.

St. James C.W.L.

On January 12th members of the Catholic Women's League met in the recreation rooms for the first meeting of the new year. The President, Mrs. Burley, extended the thanks of the council to Mrs. Stan Meeks for her fine work in preparing Christmas treats for the children and for her generous gift of candles.

The National Annual Reports have been received and are available to the members. Two euchre parties are planned for the near future. A Christmas box was sent to a young girl at Smiths Falls Hospital and plans were made to send another for her birthday.

World Day of Prayer
February 10th

On Friday, February 10th at 3 p.m., the women of the Stirling area will assemble at St. James Church for the World Day of Prayer. All are invited to attend. There will be a preliminary meeting this week at the home of Mrs. Burley.

A study club session followed the completion of business. The subject was "Aggravations in Converts," on the status of the religious who are now taking a new place in the world and the teaching of the church on the ethic of involvement as inaugurated by the Vatican Council.

The meeting closed with prayer and a delightful lunch was served by Mrs. Ryan and Mrs. Burley.

REPORT

BELLEVILLE DETACHMENT
January 8th to January 14th

Members of the Belleville Detachment of the Ontario Provincial Police worked a total of 1,251 duty hours and patrolled 15,346 miles of Provincial Highways and other roads. Forty-one charges were laid and sixty-nine warnings were issued for offences against the Highway Traffic Act.

Nine property damage accidents were investigated by officers; one personal injury accident was investigated with one person injured. On Friday, January 13th, 1967, Lillian Scorril, age 18 years, of 46 Centre St., Belleville, was fatally injured when the vehicle in which she was riding was in collision with another vehicle at the junction of Highway 14 and the Frankford Road. Four other persons were injured in this accident.

Criminal activities were down with only one theft, one disturbance and four other lesser complaints. There were three requests for assistance from other police forces.

Officers spent a total of fifteen hours in Court and there were forty-four convictions registered in Court. The Traffic Safety Co-ordinator for No. 9 District visited one school and gave three safety lectures to one hundred and eighty children.

When roads and weather are uncertain, we should alter our driving to suit the conditions. Be careful in traffic, the life you save may be your own.

Rylstone U.C.W.

On Wednesday afternoon, Mrs. Lindsay Finch was hostess to the Rylstone United Church Women for their first regular meeting of the year.

Mrs. Ross Dickie, President, was in charge of the devotional part of the meeting, opening with a short reading and prayer. A hymn was sung and a psalm read responsively. Mrs. Lloyd Anderson read the Scripture selection and gave a reading, "A Recipe for a Happy New Year".

Mrs. Robert Spencer favoured with a vocal and accordion solo and read "A Helping Hand". Mrs. Clarence Thomson conducted a Bible contest. There was an attendance of ten ladies, two of whom, contributed to the Birthday Bank.

The meeting closed with a Benediction by the President and refreshments were served by the hostess, assisted by Mrs. Robt. Spencer and Mrs. Ross Dickie.

County Council To Support No. 14 Hwy. Reconstruction

Hastings county council will set up a special committee to study a unified county-wide welfare administration system being recommended by provincial authorities.

This decision was made last Wednesday morning following a letter from the provincial welfare department offering to assist in every way possible the setting up of a county welfare system.

Stirling reeve, Don Rodgers, said county welfare was an important subject and recommended a committee be set up to make further study and bring in a recommendation.

He said the welfare costs this winter were on the way up and suggested that a county system might result in the collective costs being reduced. But Rawdon reeve, Fred Beckett, said he would not like to see the county take on anything else until he saw how the year's mill rate stood.

County council will lend its support to a request from Stirling village and Rawdon township asking that No. 14 highway from Foxboro to Marmora be rebuilt.

Letters from the municipalities pointed out that heavy trucks hauling crushed stone from Marmora had

damaged the roadway and asked that the Ontario Department of Highways give early consideration to reconstruction of the road.

Reeve Beckett said that No. 14 highway north of Stirling, had been graded in the early 1930's, was paved in 1934, and since then nothing had been done except surface treating.

He said also that there were several bad corners on the highway.

Rebels Extend Lead

(By Bob Taylor)

Glen Ross 9; Ivanhoe 4

Glen Ross Elaine Rebels took a healthy first place lead in a C.H.H.L. fixture played before a capacity crowd at the local arena on Friday night by trouncing their second place rivals, the Ivanhoe Knights, 9-4. Andy Faulkner, the League's leading scorer, had things his own way, scoring a fantastic seven goals. He also drew an assist as linemates Ken McConnell and Jack Wright figured in the scoring. Doug. Fairies clipped in on two helpers. Jack Francis with two, Don Rowe and Elwood Moore accounted for the losers' marksmen.

Glen Ross 6; Plainfield 3
Andy Faulkner again led the Glen Ross attack, scoring 3 goals and assisting on another as the Elaine Rebels dumped the last place Plainfield Emeralds 6-3, before another capacity crowd at the local Arena on Sunday.

Gary Mason, Ross Anderson and Ken McConnell each drew a goal and assist with Doug. McCrory drawing a pair of helpers. Bob Hunter, Reed Mallory and Don Reid scored for the Emeralds.

In the first game of a double-header, the Frankford Shoemen clipped the Foxboro Lumber Kings 5-3.

Entertains Nurses

Miss Judy Cosbey entertained the first year nursing students of her class from Quinte Secondary School, Belleville, at a birthday supper, sleigh ride and pyjama party on January 16th.

CANADA'S CENTURY

A news background special on

From Britain And France Came Creation And Crisis

(First Of A Series)

By WALT McDAYTER

The birth of Canada as a nation was unique in that it was a child born with two umbilical cords. To this day the cords have not been severed, but still stretch taut across the Atlantic to our two motherlands, Britain and France.

Canada owes much to other countries as well, but it is these two who provided us with most of our population, and gave us our language, laws, institutions and culture.

Yet, if it is the French and English who did most to create Canada, it is also the growing friction between them that is now the biggest threat to our continued existence as a nation. The split between French and English Canada has never been wider, and never has the cry in Quebec for separatism been louder. Many no longer speak of Canada as a nation, but as two nations-in-one.

The two-nation principle dates back to 1774, and is in many ways a consequence of the American revolution. After defeating the French on the Plains of Abraham in 1759, the British later feared the French colonists might join the 13 English colonies threatening revolution to the south.

To ensure French-Canadian loyalty, the British were extralient to the French, guaranteeing them rights to their separate religion, language, custom and even French civil law by the Quebec Act of 1774.

The Constitutional Act of 1791 divided Canada not only geographically into Upper and Lower Canada, but into race and religion. In Lower Canada were the French Catholics, in Upper Canada were the English Protestants, primarily recently-arrived United Empire Loyalists.

There was an attempt in 1841 to re-unite these two groups into the single Province of Canada.

No single battle has affected Canada more than the battle on the Plains of Abraham, when in 1759 French and English forces clashed in a war to win a continent. Picture shows Wolfe leading the victorious British against Montcalm's gallant French troops.
